

TAJ
CAPE TOWN

The Taj Cape Town is perfectly located in the centre of historic "Mother City" at the entrance to St George's Mall, within walking distance to most tourist attractions, restaurants, markets and nightlife. The hotel offers two unique dining experiences; the Indian fine dining restaurant, Bombay Brasserie and Mint, a relaxed all-day dining restaurant. Alongside this you'll find a wonderful Champagne and tapas bar known as The Twankey Bar.

The 176 rooms are spread over both the heritage and the contemporary tower wing. Taj Cape Town offers a selection of professional facilities, which includes seven meeting rooms and The Reserve at Taj Cape Town, a premier events space. Venues can accommodate a variety of functions from small breakfast sessions to banquets and stylish cocktail parties for up to 400 guests.

SABI SABU

35 YEARS OF EXPERIENCE

Situated in the game-rich Sabi Sand Reserve, which borders the Kruger National Park, the family-run Bush Lodge has built a reputation of warmth and exceptional service excellence. Each of the 25 suites, including the new Luxury Villas and fully refurbished Mandleve Presidential suite, features luxurious linens and fabrics, beautiful wood furnishings, and an en-suite glass-fronted bathroom with indoor and al-fresco shower leading onto a private patio.

The lodge has a boutique shop and two swimming pools, and there is ample space to relax, unwind and savour the tranquility of the bush in one of the two huge wooden decks overlooking a waterhole where wildlife regularly come to drink.
